Peab builds pool facility in Kristianstad

Peab has been commissioned to build a pool facility in Näsby in Kristianstad. The customer is Kristianstad Municipality and the contract is worth SEK 468 million.

The facility will be built in Näsby located in the northwestern part of Kristianstad. The pool facility will contain two 25 meter pools, three hot pools, a family pool, a diving pool, water slide, relaxation area, changing rooms and a large-scale kitchen. The building will be a total of around 14,100 m².

The project is a turnkey contract in cooperation. Planning for the project has already begun and the final inspection will take place in the summer 2022.

The project will be order registered in the fourth quarter 2019.

“Peab has a great deal of experience in pool facility projects and we look forward to starting construction on Kristianstad’s new pool which when it’s completed will be one of southern Sweden’s finest pool facilities. This is an exciting and important investment by Kristianstad Municipality that we at Peab will take good care of,” says Bratislav Marjanovic, Region Manager Peab.

“We are happy to now be one step closer to the construction start of Kristianstad’s new pool facility. We look forward to implementing this project together with Peab,” says Bengt Olsson, Administrative Head of the Technical Management Department of Kristianstad Municipality.
