Peab rebuilds school in Lund

Peab has been commissioned to build a school in Lund. The customer is Lundafastigheter and the contract is worth SEK 139 million.

The property is located in the southeast section of Lund in the Vipelyckan area. For years the school has housed Vippan High School's restaurant and food program which will now get a top modern teaching commercial kitchen and bakery. The total surface of the renovation is almost 4,200 m² gross area.

"We're pleased and proud to be part of creating good learning conditions for the students in Lund through this continued collaboration with Lundafastigheter. As a community builder we consider this a very important project," says Olle Olsson, Region Manager Peab.

The project is a turnkey contract in partnering. The project has begun and contract is expected to be completed by April 2025.

The project will be order registered in the first quarter 2024.
